Forecast For East of England
Issued by Met Office Exeter
at 0400 on Saturday 13 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Showers, occasionally heavy, with sunny spells on Saturday. Windy.

Today:
Occasional heavy and blustery showers through Saturday across the region, but there will also be some sunny spells in-between. Windy with coastal gales likely and feeling chilly. Maximum temperature 9 deg C (48 deg F).

Tonight:
Showers largely dying out after midnight, leaving mostly dry conditions across the region, with clear spells developing. Winds continue strong overnight but a touch of frost possible in shelter. Minimum temperature 2 deg C (36 deg F).

Sunday:
A mostly dry and bright morning, but scattered showers developing by afternoon. Thicker cloud and showery rain arriving from the west by evening, clearing overnight. Breezy and feeling chilly. Maximum temperature 10 deg C (50 deg F).

Outlook for Monday to Wednesday:
Drier and brighter on Monday, becoming less windy. Tuesday, cloudier with some outbreaks of rain, feeling milder. Wednesday, probably rather cloudy with some showers, especially around the coast.
